

iMin M2-202

MOBILE POS

- Only 450g, practical to hold for long hours without strain
- Fits in the palm of your hand and takes up minimal countertop space
- 2600mAh/7.4V rechargeable battery will keep the device running for as long as you need
- Multi-point capacitive touch panel which works effectively even on the smaller screen size

The iMin M2-202. Designed for convenience, functionality, and style. Recognises payment codes in 0.3 seconds, so your customers never have to wait. For businesses which require a portable and efficient POS device.
